## The Perfect Lifestyle

Welcome to the luxurious lifestyle you've been waiting for. This newly built 42sq single story home has been custom designed to suit any large family looking for multiple living areas and an abundance of storage.

From the moment you enter the grand entrance of this property you can't miss the lush landscaped gardens and sense of quality workmanship. Prepare to be wowed with the cinematic home theater system, this state of the art technology consists of a 7 channel surround sound system with built in speakers to walls and ceiling.

The ceiling mounted projector perfectly displays blockbuster movies in the comfort of your own home.

Relax this summer with the stunning outdoor family entertainment area laid with imported travertine tiles, consisting of a custom built outdoor kitchen.
